## Duration

Study for a summer, semester, or full academic year. If you have missed the application deadline for a program let us know and we will work to find a program that works with your schedule.

## Earn academic credit

For all of our study abroad programs, academic credit and transcripts are issued by either a fully-accredited foreign or US university.

## Use financial aid

As long as your coursework is approved for credit by your home institution, the US Department of Education allows schools to release federal aid for payment towards a study abroad program.

“Certainly, travel is more than the seeing of sights; it is a change that goes on, deep and permanent, in the ideas of living.”

— Miriam Beard

## Sample Programs

### Most Affordable Semester in England

This is an ideal program for the undergraduate who wants a real British college experience. International students live in single dormitory rooms throughout the campus and are often the only non-British student in their classes. The campus is beautiful and the location is fantastic. Join World Endeavors' Semester in England and you will have a great opportunity to immerse yourself in British student life as well as the local community.

### Study French in the Loire Valley

Imagine studying the French language in the beautiful Loire Valley in France. You can explore the many castles, chateaus, and cathedrals of the area or decide to spend the weekend in Paris. Choose from

several intensive month-long programs, fall or spring semester, or a full academic year and earn academic credit from a fully-accredited French university. From beginners with a desire to learn the French language to advanced French speakers who would like to perfect their language skills, World Endeavors' Study in France program offers a true French experience for everyone.

### Study in Amazing New Zealand

New Zealand is a truly beautiful country. Renowned for its natural resources, breathtaking scenery, peacefulness, and the hospitality of its people, the country is conveniently close to Asia, Australia and the South Pacific. Study in New Zealand and choose from over 3,000 courses from a wide range of fields.

### Experience Northern Ireland

Join World Endeavors for a semester or academic year abroad in Belfast, Northern Ireland. Explore Ireland and Irish culture at one of the leading universities in the UK. Choose from thousands of courses and earn academic credit while studying alongside Irish and British students. In less than a day's journey from the University, you can venture out from Belfast to Scotland, England, Wales, or Ireland and explore all that this beautiful region has to offer.

### Cultural Studies Abroad

One way that students can prepare for the challenges of the global economy is to learn about other cultures. World Endeavors cultural studies programs are perfect for students searching for a culturally-immersive semester abroad with a chance to learn a new language, study a new culture, or perhaps learn a great deal about their own culture. Which culture interests you? Here are just a few to choose from:
