

GAP YEAR ABROAD

Taking a gap year is a chance to discover new interests, master new skills, new languages, and shift your perspective in a new community. World Endeavors gap year participants can build their resume, take classes, or help make a difference. Participants will return home better prepared than ever for college, graduate school, or a career.

GAP YEAR PROGRAM HIGHLIGHTS

All of our Gap Year participants will receive support, direction, and connection to local community

INTERN ABROAD

Ireland

With internships available in nearly every field of study, Ireland will prove to be grounds for personal growth and career stepping stones.

Thailand

Opportunities are everywhere in Thailand! No matter your interests, you will get hands-on experience in a dynamic setting.

Ecuador

Interning in Ecuador offers truly diverse landscapes, from the Amazon Rainforest to the Galapagos Islands, which provides a unique backdrop for personal and professional growth.

STUDY ABROAD

Mexico

Mexico offers an unmatched environment to explore when you're not studying or working. You will be able to fully immerse yourself in Mexico's rich history and ecology.

Italy

With some of the most famous cuisine and art in the world, you will have no problem finding "la dolce vita," or the sweet life in Italy.

Bali

Change your world while spending time on white sand beaches in beautiful weather year-round. Have a once-in-a-lifetime experience in Bali.

HUFS Summer Session in Seoul

Join Hankuk University's Summer program and spend an unforgettable summer in Seoul, South Korea. This program is for students interested in Korean language and cultural studies and includes several cultural excursions!
